“ Violet Yoder was a interesting woman with a great sense of humor, very strong convictions which she held to the end, a sharp mind, and caring spirit for all she met. . . . I will always remember her with love, appreciation and admiration. My prayers for you, Laurie, Jim, Paulette and Jim and all her grandchildren and great-grandchildren, may God's presence be with you all.

“ To all of you in Violet's family- I didn't have the privilege of knowing Violet until the last few weeks of her life. But the stories from her life convince me that she was a lovely woman with a strong love for God and her family. You are blessed to have her as your Mom, Grandma and Great grandma and I pray that God will comfort you with

sweet memories and a sense of His loving presence as you mourn her loss. Praying you can also rejoice in her freedom from her weakening body and her joyful presence with her Lord.

“ Paulette and Jim, Laurie and Jim, and family.
I wish I could be there but since I can't, I am sending you all, with many hugs, my heartfelt sympathy. There are so many memories i have been thinking about it could take me reams of paper to put down. I loved Violet for all the times she was there for me and our family. All the times she made me laugh. All the times she made me think. All the times she fed me even though I probably should not have been thinking of food (those Thanksgiving dinners were great.) All the times she called just when I needed those calls (12 midnight, who calls at 12 midnight her time?) All the heartfelt info she imparted that helped me deal with what I was going through at the time. Violet, I miss you and will always have you in my heart.

“ To Paulette and Jim and Laurie and Jim and family,
We want to express our sympathy for your loss. We loved Violet. She was kind, loving and fun. We have so many great memories of our visits over the years. Terry remembers the holiday family dinners. He and Clyde always had seconds. Violet hosted our wedding shower 53 years ago. We stayed with Violet to attend Terry's 30th school reunion and were awakened early to her vitamix making carrot juice. We appreciated her presence at Mom Stover's funeral. She helped us celebrate her life.

Teaching her to play qwirkle was so much fun. Thinking about our times together makes us smile. She was joyful and so special.

We love you,
Terry and Marilyn
